Come Ride the Movie Trains!

Please Note: No outside food or drink is allowed onboard. Our trains consist of vintage and antique pieces of rolling stock, most of which were built before the modern amenities. We suggest "weather-friendly" clothing as the warm summer days can be anchored by cool evenings and made more comfortable with a light coat or sweater. State law prohibits smoking on the train. Strollers and ice chests cannot be allowed onboard, as the aisles must be kept clear. Children must be accompanied by an adult when walking through the train. No alcohol may be brought onboard. We reserve the right to substitute equipment or destinations.
